Hi everyone,

As most of you already know, we are the small team of volunteers that currently make up the PTA for Churchill Primary School. We work hard all year round to raise much needed funds for the school and its pupils. Annually, the headteacher decides on a primary project that we are to raise funds for, such as iPads for every pupil, interactive whiteboards for each classroom, improvements to the library and literary resources.

The PTA also ensure each class teacher is provided with a sum of money at the start of each new school year to go towards classroom resources. This sum is entirely dependent on how successful the fundraising has been for the previous academic year.

Covid-19 clearly had a substantial impact on how we were able to fundraise, and in addition to the challenges that brought us, the support shown for PTA events and the committee in general in recent years has sadly declined. As a result, the funds raised have been lower than in previous years and morale across the team has suffered also. Whilst we have tried hard to make events affordable and accessible to everyone, to provide as many events and fundraising opportunities as possible and to reach out for feedback along the way, we appreciate that as a longstanding team of the same volunteers, fresh ideas and a new approach may be the key to a more successful future.

As such - we really need your help! Please use [this form](#) to give us your feedback, suggestions, offers of help and general thoughts on how things are run/could be run going forwards.

We would really appreciate hearing your thoughts, good or bad, so don't be shy! **All forms are completely anonymous.**

Please complete the form no later than the 10th February. The results of this feedback form and any resulting changes will be fed back to the school community in due course.

In the meantime, please find an updated graphic of PTA events, dates and how our fundraising is going so far this year.

Thanks,
The PTA Team
