To create a nurturing community in which we ignite curious minds, encourage generous hearts and embrace a changing world so our children can live life in all its fullness

NEWSLETTER NO. 14

I want to start my newsletter by celebrating our fantastic Year 6 class, who showed an excellent attitude and commitment to their KS2 SATs tests. It was an absolute pleasure to watch how they approached each assessment and hear their laughter and the kindness they showed each other. This positive 'can do' approach didn't happen by accident. I am really grateful to the Year 6 team, the wider school team and governing body (who helped out during test week) and all their families for helping to ensure the children were feeling confident, with a real desire to show their best during the test week. They are now turning their energies and excitement towards their end of year show, 'Pirates of the Curry Bean'.

At the end of this school year, we will be wishing a fond farewell to two much loved members of our school team: Miss Woodfine and Ms Ford. Miss Woodfine has been one of the welcoming faces of the Reception Team for many years. Helping our youngest members of the school and their families to settle in has been a gift she has kept giving. Our Christian ethos states "Let all that you do be done in love", Miss Woodfine has lived this vision in her actions and words throughout her 23 years at Churchill. She has been a real role model to others on how to nurture young people so that they can grow and be successful in the world.

Ms Ford is also sadly leaving us, at the end of this school year. Ms Ford's work ethic is incredible and she has absolutely transformed SEND provision in our school. She has invested her heart and soul into helping pupils with SEND needs, and their families, to have the very best opportunities and support they need. I am sure so many families will have felt her kindness and support over the last 8 years. Ms Ford is stepping away from the teaching profession to explore her many other talents and skills in music and drama.

During Term 6 we will be celebrating their contribution to the school and wishing Miss Woodfine well in her future retirement and Ms Ford all the very best in her new adventures. Whilst our colleagues will be really missed, I am delighted to share that we have just completed a very successful recruitment process and we will be introducing our new members of the team before the end of the year.

OFSTED REPORT

Thank you to all of the families who have expressed their congratulations on our recent Ofsted report. It has been a real pleasure to see our school recognised so positively by Ofsted and also in the media. We are particularly proud of the 'strong standard' recognition for inclusion and personal development and wellbeing as the team work incredibly hard to support every pupil every day. We really believe in our school values and they underpin all that we do; I am delighted this was evident to the inspection team. We are using this positive feedback as an energy source to continue to take our school forward as there is always more that can be done.

School with 'kind hearts and determined minds' wows Ofsted in new report

'Pupils love coming to this welcoming and inclusive village school'

Churchill Church of England Primary School, on Pudding Pie Lane in Langford, was found to be at a 'strong standard' for inclusion and for pupils' personal development and well-being.

Inspectors also judged it to be at the expected standard in the remaining five areas assessed under the new framework.

CHURCH DAY

We are extremely grateful to Wendy Humm, Reverend Dr Julian Davies and the generous members of the church community for organising and delivering a super 'Church Day', for the children in Year 5. This annual event is a special day in our school calendar as the children get exclusive access to the church, including opportunities to ring hand bells, explore the kneelers, learn about the history of the church as well as bake cakes based on a bible recipe. They all had a really super time.

FOOD BANK

We are delighted to now be a referral agency for Clevedon District Foodbank and are able to work with parents or carers in need, to issue foodbank vouchers. Please contact the office if this is something we could support you with.

FREE NHS app HELPS PARENTS CARE FOR THEIR POORLY CHILD

As winter sets in and common childhood illnesses become more frequent, parents are being encouraged to use a free NHS app to help them decide how best to care for their child.

The HANDi app, which has been developed by a team of specialist children's doctors, is quick and easy to use and gives parents and carers expert advice on a range of 4 childhood illnesses. These include diarrhoea and vomiting, high temperature, tummy pain, chestiness, head injuries and common problems experienced by newborn babies.

The app takes parents through a series of questions about their child's symptoms and then advises on the best course of action, whether that's to treat at home, to make a GP appointment, call NHS 111 or call 999. The HANDi App is available to download for Apple phones from the app store or iTunes and for Android phones at Google Play. Alternatively, please use the following QR code:
