

Religious Education – World Religion – Christianity

Questions we have previously explored in Year 1:

What gifts might Christians have given to Jesus?

Our new key question: **Was it always easy for Jesus to show friendship?**

Learning Objective: We are learning to identify when it is easy and difficult to show friendship and to explore when Jesus may have found it difficult.

When we started our learning journey, these were our questions?

Do we need to look in the Bible to find out about Jesus?

Which Bible do we need to look at?

Which part of the Bible do we need to look at?

Falling Out

Sometimes friends might have a **disagreement**, like the lion and the tiger in the story of The Wind and the Moon.

Making Up

The lion and the tiger got some **advice** from a wise man. The man told them to 'live without **conflict** and remain **united**.' When we fall out, we have a choice about how to **resolve** it.

Religious Stories

The Wind and the Moon is a Buddhist story. Buddhism is one of the main world religions. There are lots of religious stories about **friendship**.
